

Annual General Meeting for Members of CTT Group

The annual general meeting for members was held on October 28th, 2020. The CTT Group is pleased to announce the appointment of **Mr Nicolas Juillard** as Chairman of the Board of Directors, succeeding **Mr Ronald Audet** who was until recently was Chairman of the Board of [Filspec](#), and will now enjoy a well-deserved retirement.

The position of Vice-Chairman of the Board of Directors for CTT Group, having previously been held by **Mr Nicolas Juillard**, Vice President of Technology and Development for [Groupe Monterey](#), will now be held by **Mr Daniel Genest**, president of [Guillemot International Inc.](#)

Members have also awarded a seat on the CTT Group Executive Committee to **Mrs Carole Baril**, Executive Director at [Filterfab](#), and appointed to the Board of Directors **Mr Hamid Benaddi**, Director of Applied Research at [Duvaltex](#).

The complete list of members of the CTT Group Board of Directors and Executive Committee is available on the CTT Group website: <https://gcttg.com/en/about/board-of-directors/>

Working extensively with the textile industry to alleviate the shortage of hospital PPE, the CTT Group performed well in 2019-2020 and continued to grow. Technical textiles play a strategic and essential role in a growing number of disciplines and markets, particularly in the sectors of defense, first responders, technical clothing, construction, geotechnical and civil engineering, transport, health and furnishings.

The CTT Group, associated with Cégep de St-Hyacinthe, is a collegial center for technology transfer that supports the growth of companies in the textile and geosynthetics industry through technical services, R & D and expertise in innovation and product improvement.

CTT Group is a proud member of [Synchronex](#) and of [Québec Innove](#).
