

The Institute of Textile Science

CALL FOR ABSTRACTS 2024 SYMPOSIUM MARCH 5 & 6

The Institute of Textile Science (ITS) invites students to present their research and development work in textiles, textile-based and related material science. Students can choose to participate in an oral or poster presentation. This opportunity is available to current college and university (Bachelor, Master, Ph.D.) students, as well as recent graduates (2023) and current postdoctoral fellows. The 2024 Symposium will take place both in-person in Edmonton and Montreal, as well as virtually.

SUBMISSION INSTRUCTIONS

- Extended abstracts should be no more than **500 words**, including an introduction, methods & materials, results & discussion, and conclusion.
- Include full name, discipline, level of degree, institution, list of authors, and presentation title.
- Indicate **presentation preference** (oral^{*}, poster^{**}, or either).
- Submit abstracts in a **Word document** electronically to munevaro@ualberta.ca.

SUBMISSION DEADLINE JANUARY 30, 2024 @ 6 PM EST

*Presentations will be 10 minutes in length and preference will be given to students who did not present at the 2023 Symposium.

*Abstracts not selected for oral presentation will have the option of poster presentation.

**Poster presentations will be in person either in Montreal or Edmonton and students will provide a 3-minute video highlighting the key points to invite attendees to visit their poster

BENEFITS OF SPEAKING

- Free registration to the 2024 Symposium
- Certificate of Recognition
- Valuable presenting experience
- Networking opportunities and visibility in the industry
